SIZE : 6", 7", 8"
PACKING TYPE : Set

PLIER

KNIPEX Tools are made from start to finish utilizing the highest quality materials. Based in Germany, KNIPEX Tools are German engineered to produce a tool unmatched in the industry in terms of features, comfort, design and performance.

SIZE : 6", 7", 8"
HANDLE : Heavy Duty
HEAD : Germany

KNIPEX CUTTER

Made from high-strength, lightweight fiberglass, the virtually unbreakable handle core naturally dampens stinging vibrations. A poly jacket completely surrounds the core and protects it like a bulletproof vest, absorbing the impact of missed strikes.

SIZE : 2lb to 20lb
HANDLE : Germany Fiber/ Wooden
HEAD : Steel

SLEDGE HAMMER

The 8oz. / 16 oz. Claw Hammer features Perm bond construction between its head and handle for strength. It has a comfort cushion Shock Reduction Grip Protect your eyes from flying particles and dust.

SIZE : 8oz, 16oz
HANDLE : Rubber / Wooden
HEAD : Rip Cast / Mirror Polish

CLAW HAMMER

Chipping hammer is forged in one piece solid steel, and fully polished. Balance and temper are unsurpassed. It has a wooden handle which is sturdy and also comes with shock reduction grip that reduces shock up to 70% and will not come off.

SIZE : 300G, 500G
HANDLE : Fiber / Wooden

CHIPPING HAMMER

Open end wrenches have two different sized ends on the same wrench and are one of the most common and versatile wrenches. The smaller the wrench end opening, the shorter the body of the wrench.

SIZE : 6mm to 75mm
PACKING TYPE : Pcs/Set with Sleeves

OPEN END SPANNER

These combination wrenches are forged from Chrome Alloy steel for outstanding durability and strength for a lifetime of use. Each wrench has an open-end for access to fasteners in tight spaces.

SIZE : 6mm to 32mm
PACKING TYPE : 8 pcs Set with Sleeves

WRENCH SET

The 8 Piece Allen Key Set features alloy steel construction for strength and durability. These keys have short arms and resist rotational distortion. Keys feature chamfered ends on both sides of the key to help guide the key into the fastener.

SIZE : 15mm to 20mm
PACKING TYPE : Set

ALLEN KEY SET

A useful addition to any plumber's toolbox is the 18 in. Heavy-Duty Straight Pipe Wrench is a plumbing wrench that features sturdy ductile-iron housing and an I-beam handle for exceptional durability and leverage.

SIZE : 8" to 48"
TYPE : Heavy Duty

PIPE WRENCH

Tough tungsten carbide makes bit suitable for multi-material applications. Sharp diamond-ground edges deliver high drilling speed, even in hard materials. Optimized drilling for good dust clearance in multiple materials.

SIZE : All Size
PACKING TYPE : SDS Heavy Duty

DRILL BIT

We have a varied range of BOSCH, DEWALT & Makita engineered power tools with pro famers in mind including dills, saw, Sander & Grinders, oscillating, rotary and wood working tools and equipment's.

TYPE : All Kinds
BRAND : BOSCH, Dewalt, Makita, Milwaukee

POWER TOOLS

The following Framing Square is ideal for laying out and marking patterns in framing, roofing and stairway work. It features permanently stamped numbers and comes in sizes varying from 8" to 14"

SIZE : 8" to 14"

We represent some of the leading manufacturers from Asia, USA, and Europe. Our area of supply covers all the Emirates of UAE, gulf and MENA region through our extensive network of customers.

Binding Wire is used for the purpose of tying applications in the field of construction. It is used extensively in the construction sector for tying the rebars at the joints so as to keep the structure intact.

SIZE : 5kg, 10kg
TYPE : 10 Gauge to 20 Gauges
PACKING TYPE : Bundle

GI BINDING WIRE

These High quality and low priced soft black annealed iron wire, used for the purpose of tying applications in the field of construction. They are also made of mild steel.

SIZE : 5kg, 10kg
TYPE : 16G, 18G
PACKING TYPE : Bundle

BLACK BINDING WIRE

We utilize finer quality raw material and make sure robust finish standards and corrosion resistance wire and slings. It has high reliability and is used in elevators and oil fields etc.

SIZE : 2mm to 20mm
TYPE : Heavy Huty
PACKING TYPE : Roll

GI WIRE ROPE

We are the most distinguished traders and suppliers of MS Binding Strips. We offer these stripes for various defense units, contracting customers & corporate customers.

SIZE : 20kg, 26kg
TYPE : Heavy Huty
PACKING TYPE : Bundle

MS BINDING STRIP

Our Brand WCT is manufactured in china and these wire nails are tested with all certification required for Dubai Municipality. With the valuable assistance of skilled team of professionals, we are engaged in offering an extensive range of Wire Nails.

SIZE : All Size
PACKING TYPE : 5kg, 18kg, 25kg

WIRE NAIL

Our Brand WCT is manufactured in china and these wire nails are tested with all certification required for Dubai Municipality. Its fully hardened concrete nails made from Steel Wire. Best in Class & Quality is produced from Medium Carbon Steel.

SIZE : All Size
PACKING TYPE : Carton

STEEL NAIL

Flickering rush machine is the best and simplest tool for spraying cement to provide a durable and textured decorative finish to the exterior walls.

TYPE : Standard
PACKING TYPE : 12pcs/ Carton

RUSH MACHINE

We are providing our valuable clients with plumbbob measuring tools in accordance to international standards only. These are available with the tied thread as effective for measurements in terms of construction and others.

SIZE : 400G TO 1000G
PACKING TYPE : Box
BODY TYPE : Iron Brass Plated

PLUMB BOB

We offer a wide array of Hessian Cloth that is commonly known as burlap. These clothes are woven fabrics and are coarse in nature. Our clothes are made using natural jute fibers, which are provided with vegetable oil treatment.

SIZE : 36"-7oz to 60"-10oz
TYPE : Small & Big
PACKING TYPE : Bundle

HESSIAN CLOTH

PVC Hose Pipe is manufactured utilizing superior grade raw material and advanced machinery with the industry laid norms and standards. These products are utilized in waste disposal & sanitary purposes and water circulation and as welding hoses.

SIZE : As Required
PACKING TYPE : Roll

LEVEL HOSE PIPE

The nets are designed using best grade material and are highly demanded in various industries such as agricultural fields and construction industries. These strong and durable net is light in weight and is resistant to UV radiation.

SIZE : 50, 100, 200mm
WEIGHT : 33g/m2 - 300g/m2
PACKING TYPE : Box

BIEGE SHADE NET

The nets are designed using best grade material and are highly demanded in various industries such as agricultural fields and construction industries. These strong and durable net is light in weight and is resistant to UV radiation.

SIZE : 50mm, 100mm, 200mm
BASE TYPE: 33g/m2 - 300g/m2
PACKING TYPE : Roll

GREEN SHADE NET

We manufacture extensive range of Building Construction Polythene Sheets locally and are tremendously valued for their durability and long lasting finishes. These sheets are non-reactive with room temperature and tested with all the certifications.

SIZE : As Required
BODY : 500G/1000G
PACKING TYPE : Roll

POLYTHENE SHEET

We make superior grade tarpaulin sheets which are used for packaging in various industries. Our tarpaulin sheets come in double, triple & five layer waterproofing from both sides and are an excellent medium for packaging.

SIZE : All Size
BODY : PVC Coated/ Water Proof
PACKING TYPE : Bundle

BLUE TARPAULIN

We offer high quality Mix Cotton Rags Waste in diverse range of colors like red, blue, yellow, green or any other colors as per requirement. Mainly used in construction sites for cleaning purposes.

TYPE : Pune/Semi Cotton

COLOR : White & Mix

COTTON RAGS

We manufacture wide range of biodegradable garbage bags, used for disposal purpose on constructions sites. These products are made by using optimum grade plastic and are ecofriendly in nature

SIZE : All Size

MATERIAL : Biodegradable

TYPE : Vergin / Recycle

GARBAGE BAG

Assortment includes Bosch blades optimized for specific tasks cutting wood and metal; we include a wide range of brands and sizes as per requirement.

SIZE : All Size

PACKING : Set / Box

TYPE : Heavy Duty

JIGSAW BLADE

The offered wheelbarrow finds wide application use in transporting materials. In addition, the wheelbarrow is manufactured using high quality material and approved technologies for more durability.

SIZE : 3"

CAPACITY : 58 Liter's

TYPE : Heavy Duty

WHEEL BARROW

Chalk line powder set is mainly used to make markings on construction sites, it comes with complete set including reel and red / blue powder.

PACKING : Packet with Reel

COLOR : Red & Blue

CHALK LINE POWDER

PVC buckets are durable in nature and are made with accuracy at vendors end. These products have high strength and are delivered in standard configurations

SIZE : 9.5" / 11"

COLOR : Black/Yellow

TYPE : Heavy Duty

PVC BUCKET

In order to meet various demands of our esteemed clients, we are engaged in providing an optimum quality array of high tenacity Nylon Twine.

SIZE : As Required

PACKING : Coil

DIA : 4mm - 150mm

LINE DORI

With the better understanding of the demand of industry, we are presenting a wide range of dustless chalk that provide clear and bright image that is visible from a considerable distance.

TYPE : Erasable

COLOR : White / All Color

CHALK

Only a few exceptions can leave a mark permanently. And here is one such exception. It is water proof, and therefore once written, will last for a very long time

TYPE : Chisel/Pointed
COLOR : Black/Red/Blue

PERMANENT MARKER

Leveraging the skills of our qualified team of professionals, we are engaged in providing PVC Tile Spacer which is easy to fit, reliable and tested.

SIZE : All Size
MATERIAL : Plastic
PACKING TYPE : Packets

PVC TILE SPACER

We design cleaning brushes and custom manufacture them according to customer requirements and specifications. We can custom fabricate cleaning brushes for commercial use and for various types of industrial applications.

SIZE : 120cm X 30cm
COLOR : All Type
TYPE : Cleaning Tool

SOFT BROOM BRUSH

We design cleaning brushes and custom manufacture them according to customer requirements and specifications. We can custom fabricate cleaning brushes for commercial use and for various types of industrial applications.

SIZE : 120cm X 60cm
PACKING TYPE : Carton

HARD BRUSH

We are an eminent name indulged in providing a finely fabricated and qualitative range of Industrial Coco Broom Brush. We can custom fabricate cleaning brushes for commercial use and for various types of industrial applications

SIZE : 120cm X 30cm
HANDLE TYPE : Plastic/Wooden
PACKING TYPE : Cleaning Tool

COCO BRUSH

We have gained expertise in providing our clients with Steel Wire Brushes. Available in various sizes, shapes and designs in the market with best prices, all our brushes are manufactured using high-grade raw material.

SIZE : 6 x 16 Row
LENGHT : 30cm
TYPE : Wooden

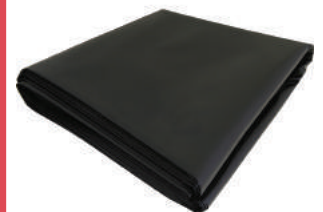

WIRE BRUSH

Flexcell is bitumen impregnated wood fibre board, which is ideal for use as expansion joint filler. It is used when concreting areas and requiring expansion joint.

SIZE : As Required
THICKNESS : 100mm

FLEXCELL SHEET

Manufactured from high density and high tensile polyethylene to provide long lasting damp proof protection and resistance to damage during construction.

SIZE : Standard Size
GRADE : 1000G
COLOR : Black
PACKING TYPE : Sheets

DPC SHEET

It's a Multi-purpose rope manufactured from weather-resistant polypropylene. There 2 qualities available in nylon rope, commercial type and vergin type.

SIZE : 6 - 50mm
COLOR : As Required
PACKING TYPE : Coil

NYLON ROPE

Cut Tip features durable single-piece construction and is designed for general cutting with acetylene gas. Made in the USA, it offers medium pre-heat for clean surfaces.

SIZE : 29x26x0.6 in
BODY TYPE : Copper

CUTTING TIPS

We are involved in manufacturing and supplying of Caution tapes that are also known by the names of Warning Tape by the brand POWERTAPE52. They are widely used to mark or segregate accident-prone area in a factory, warehouse, construction site.

SIZE : All Size
TYPE : Black & Yellow
PACKING TYPE : Box

WARNING TAPE

Parking Cone is specifically designed to be provided on roads and highways to fulfill a variety of tasks safety point of view. These are used for traffic safety and control, construction sites, hazard marking, and a variety of other applications.

SIZE : 50, 75, 100 cm
TYPE : Flexible Cone

TRAFFIC CONE

In order to meet various demands of our esteemed clients, we are engaged in providing durable range of Underground Warning Net/ Protection Net, which is manufactured using quality material.

COLOR : Blue, Orange
TYPE : Plastic Fencing
PACKING TYPE : Roll

FIBER MESH

The 50mm wide polyester webbing, with a claw hook at each end, designed for heavy industrial use, it is perfect for securing vehicle loads, marquees, shelter construction etc.

SIZE : 1.7 kg
COLOR : Orange
TYPE : Heavy Duty

CARGO LASHING BELT

With a firm commitment to quality, our organization is engaged in offering a wide ambit of Screw D Shackle

SIZE : 8, 10, 12, 14 - 25mm
TYPE : GI, Stainless Steel

D SHACKLE

We have carved a niche amongst the most trusted names in this business, engaged in offering a comprehensive range of Chain Slings.

CAPACITY : 1Ton - 5Ton
PACKING TYPE : Heavy Duty

CHAIN SLINGS

We are one of the prominent organizations engaged in manufacturing and exporting all kinds of Caster Wheel varying from different sizes, type of wheels etc. These are known for their high durability, longer functional life and corrosion-resistance.

SIZE : All Size
BODY : Heavy Duty
PACKING TYPE : 500 Pounds & Above

CASTOR WHEELS

We are reckoned as a reputed Wholesale Supplier of an excellent range of brass & chrome plated hose cock. Hose cock is widely used for various engineering, construction and mechanical purpose.

SIZE : 5 in
TYPE : Water Faucet
BODY TYPE : Metal Head

HOSE COCK

The actuated tool is ideal for fastening material to block, concrete or steel, It easily fastens up to 3-in drive pins and has a semi-automatic trigger that can fire 10 shot strip load.

SIZE : Standard
BRAND : Dewalt
PACKING TYPE : Box

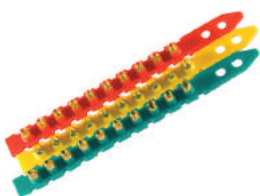

ACTUATED NAIL GUN

They are manufactured from special steel and heat-treated to produce a very hard yet ductile fastener. These properties permit the fastener to penetrate concrete or steel without breaking

SIZE : All Size
TYPE : With Washer/ Without Washer
PACKING TYPE : Box

ACTUATED BETO NAIL

These are bullet which contains powder that is used through the nail gun which helps the powder to penetrate hollow block and concrete.

SIZE : 6.8x11, 5.6x15, 6.3x10
BODY : Red, Yellow & Green
TYPE : Plastic Fencing

ACTUATED NAIL BULLET

These chisels feature handles that are ergonomically designed for comfortable usage. For durability, they have hardened carbon-steel blades and strike caps.

SIZE : 10" to 16"
CHSEL HEAD : Pointed & Flat
PACKING TYPE : Number

CHISEL

PVC tile trim profile gives you finished edges on your wall panels. Easy to install, these profiles perfectly hide the cut edges or the end of a run on your wall panels.

SIZE : As Required
LENGHT : 2.5 Meter
INTERNAL HEIGHT : 4.5mm to 12mm

PVC TILE TRIM

Packing clips are widely used for packing cartons using PP straps. We are one of the known suppliers of these steel packing clips all over the Middle East.

SIZE : All Size
PACKING TYPE : Heavy Duty Taiwan

PACKING CLIP METAL

Scaffolding Tag holder is made up of ABS material. This Holder is applicable for every place where there is a need for instruction to be safe away from the place i.e. like Construction

SIZE : Rewritable Tag
MATERIAL : Pastic

SCAFFOLDING TAG

Backed by skilled engineers and expert personnel, we are involved with the trading, distributing and supplying of a qualitative range of Foam Backer Rods

SIZE : 5/8in x 20ft
COLOR : Grey/White

FOAM BACKING ROD

Aluminum Straight Ladder with a duty rating of 300 lbs and more is used for varied purposes on site. The side rails are extra heavy duty I-beam rails and the aluminum TRACTION-TRED D-rungs are slip resistant.

SIZE : 7 ft to 13 ft
TYPE : Aluminium / Fiber Glass
STEPS : Varied

STRAIGHT LADDER

The only ladder you will need for all your indoor or outdoor projects, jobs and chores. The Aluminum ladder features single platform top steps, giving you 2X the step depth of a traditional ladder and providing a safe, secure and comfortable place to stand at multiple heights.

SIZE : 6ft to 13ft
CAPACITY : Box
TYPE : Aluminium / Fiber Glass

PLATFORM LADDER

The following A-type fiberglass step Ladder is used for indoor and outdoor projects such as window cleaning, hanging decorations and painting. Its fiberglass frame makes it safe for working with electricity.

SIZE : 250lb's & Above
TYPE : Aluminium / Fiber Glass
STEPS : 4ft to 10ft

A TYPE LADDER

The manufacture of these wheels is a precise and tightly controlled process, riding on unfathomable volumes of industrial expertise; we are providing a broad array of Abrasive Grinding Discs.

SIZE : All Size 4" - 16"
PACKING TYPE : Dewalt, Bosch, Makita

ABRASIVE GRINDING DISK

MIG Welding Wire is a great choice for welding on metals with a medium to high presence of mill scale. It is copper-coated carbon steel wire with high silicon and manganese deoxidizer levels.

SIZE : 0.9mm
TYPE : Copper Wire
PACKING TYPE : Rolls

MIG WELDING WIRE

Electric Electrode Holder is heat resistant and insulated for safety. It's rated for up to 300 Amps and features copper tongs for high conductivity. It is also equipped with fiberglass jaws and handles.

SIZE : 500amp, 600amp
PACKING TYPE : Heavy Duty

ELECTRODE HOLDER

POWERTAPE52

Power Pack Industries LLC is one of the largest manufacturers of Packaging solutions and self – adhesives, based in Umm Al Quwain, UAE. Well-known for its quality products and competitive pricing, Powertape52, the brand has grown impressively since its establishment in 2014. Power Pack Industries is committed to producing premium grade packaging solutions that comply with international quality standards and providing great value to clients all across GCC, Indian Subcontinent, Africa, Europe, and Asia with affordability and professional and reliable customer service.

General Purpose Crepe Paper Masking Tapes coated with natural rubber adhesive for general masking and packing purpose. Our brand, Powertape52 is environmentally friendly and 100% recyclable.

SIZE : Custom Size
BRAND : Powertape52, Custom Branding

Temperature Grade or Automotive Masking Tape is coated with cured natural rubber adhesive for general masking and packing purpose. It is Ideal for Car painting and has the ability to withstand heat up to 80 degrees.

SIZE : Custom Size
BRAND : Powertape52, Custom Branding

AUTOMOTIVE M TAPE

BOPP is Film coated with water based adhesive and these adhesive tapes are made from superior quality adhesive, which provides high tack and adhesion strength required for sealing of cartons to make them pilfer proof.

SIZE : Custom Size
BRAND : Powertape52, Custom Branding

BOPP TAPE CLEAR

BOPP tape has a high tensile strength that aids it in high speed conversion. It also has a good puncture resistance over a wide range of temperatures. Since it is durable and environmentally friendly, it is not affected by moisture.

SIZE : Custom Size
BRAND : Powertape52, Custom Branding

BOPP TAPE BROWN

Aluminum foil tape has adhesive on one side and a reflective aluminum foil on the other side. It is designed with an aggressive long lasting pressure-sensitive adhesive that shows superior bonding when exposed to sub-zero temperatures.

SIZE : Custom Size
BRAND : Powertape52, Custom Branding

ALUMINIUM FOIL TAPE

This tape is a pressure-sensitive tape coated with polyethylene. Since it is a heavy duty tape that is durable, it is the top choice for maintenance and repair applications. It is used for sealing HVAC ducts, carpet joining, strapping and binding etc.

SIZE : Custom Size
BRAND : Powertape52, Custom Branding

DUCT TAPE

PVC wrapping tape is stabilized plasticized PVC Film coated with non-corrosive, pressure sensitive adhesive. It is Ideal for metal and plastics pipes and underground construction applications.

SIZE : Standard Size
BRAND : Powertape52

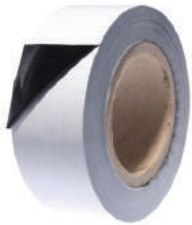

PVC PIPE WRAPPING TAPE

It is made from a high density, closed cell, cross-linked polyethylene foam coated with adhesive on both sides. It has superb general gap filling capabilities, and distributes stress uniformly when bonding to textured or irregular surfaces.

SIZE : Custom Size
BRAND : Powertape52

DOUBLE SIDED FOAM TAPE

UV protected Surface Protection tape is ideal for protecting Aluminium, Glass and Steel from scratches and damages. Their most important ability is to withstand extreme temperature. It is available in Black / Clear / Blue colour.

SIZE : Custom Size
COLOR : Black / Clear / Blue.

SURFACE PROTECTION TAPE

Power Pack is one of the leading manufacturers of high quality stretch film. Our stretch film is made of LLDPE, which is produced by copolymerization of ethylene with alpha-olefins, the most common of which are butene, hexene and octene.

SIZE : Custom Size
BRAND : Powertape52

STRETCH FILM

Power Pack is one of the leading suppliers of Plastic Bubble Roll also known as Air bubble roll, a highly recommended product for protective and reusable packing, inner packing and fabrication.

SIZE : Standard Size
WEIGHT : Custom Weight

AIR BUBBLE ROLL

We manufacture corrugated 2PLY roll which is made of high quality raw material and adhesive. It is durable, flexible and economical and can be used for a variety of packing purposes. Being environmentally friendly it can be recycled.

SIZE : Standard Size
WEIGHT : Powertape52

CORRUGATED ROLL

This packing strap is made using 100% virgin PP raw materials, which helps us in achieving uniform quality, high tensile strength & good flexibility. This packing material can be used with all strapping machines, automatic or semi-automatic.

SIZE : Standard Size
COLOR : Yellow, Blue & Green

PVC PACKING STRAP

Power Pack produces paper cores from high strength craft core board and adhesive to give strong spiral tubes to hold high pressure and weight. We can produce comprehensive range of paper cores in wide variety of sizes and applications.

SIZE : Standard Size
WEIGHT : Custom Weight

PAPER CORE

FASTENERS

Backed by huge industry experience and market understanding, we offer an excellent assortment of GI and MS fasteners. Fasteners are used for joining two and more objects together and are manufactured using premium quality raw material and contemporary machinery in line with the industrial values.

We offer a wide range of Threaded Bar that is available in various sizes as per the technical requirements of the clients. The Threaded Bar is manufactured using best quality raw material which gives smooth and no wedging performance.

LENGTH : On Requirement
THICKNESS : 6mm to 32mm

GI THREADED BAR

We are engaged in providing a wide range of Galvanized Bolts and Nuts, our range is design and developed in large quantities and is available in varied specifications such as sizes, dimensions and shapes.

THREAD SIZE : MM / INCH
BOLT LENGHT : All size

GI BOLT, NUT & WASHER

Owing to our enriched industrial experiences, we are committed to providing a wide variety of excellent quality Galvanized Carriage Bolt.

BODY : All type
LENGHT : 10mm to 150mm

CARRIAGE BOLT

We offer an excellent assortment of CSK Screw, used for joining two and more objects together. After knowing various desires of our clients, we manufacture varied sizes and grades.

SIZE : 3mm to 60mm
HEAD SHAPE : Round

CSK SCREW

Our offered Engg Stud is manufactured by our diligent professionals using the finest quality stainless steel and contemporary technology as per defined industry norms in china, and are rigorously inspected by our quality analysts against varied parameters.

SIZE : On Requirement
HEADS : Threaded Both Ends

ENGINEER STUD

With an objective to fulfill the ever-evolving demands of our clients, we are engaged in offering a wide assortment of Mild Steel Bolt, nut & washer.

SIZE : M1 - M46
SURFACE TREATMENT : Balck Oxide

MS BOLT, NUT & WASHER

Gypsum drywall screws are used when installing gypsum board to wood studs. They have a sharp point to pierce through drywall, and a coarse thread design to help grab into wood studs.

SIZE : 1/4" to 4"
DIAMETER : 0.8mm
PACKING TYPE : Box

GYPSON SCREW

Machine screw is suitable for a variety of general applications. These durable screws are constructed from steel and are suited for electricians' projects. Machine screws are used with nuts or directly into a threaded receptacle to fasten metal parts together.

HEAD TYPE: Oval / Flat
THREAD : 3/8in - 16in
BODY TYPE : Full Threaded/
Half Threaded

MACHINE SCREW

In order to keep pace with never ending demands of the customers, our company is instrumental in offering Roofing Bolt of different sizes and grade.

SIZE : All Size
BODY : Bright Zinc Plated
HEAD TYPE : Truss

ROOFING BOLT

Self-Drilling Screw have a hardened drill point that will drill and thread in structural steel and mild steel. Self-drilling screws are available in a variety of finishes with unique product features to suit a wide range of environmental conditions

SIZE : 13mm to 75mm
TYPE : Zinc Plated
PACKING TYPE : Box

SELF DRILLING SCREW

CSK Machine Screws are available in various sizes and forms. Our Mild Steel Machine Screws are manufactured with utmost precision and are made out of the high grade raw material, which ensures that they are durable.

SIZE : All Size
BODY TYPE: Threaded
PACKING TYPE : Box

CSK MACHINE SCREW

We are engaged in supplying Self Tapping Screws used as fasteners in various industrial purposes. These fasteners are manufactured as per international standards to suit the requirements of our valued clients in local and international market.

SIZE : As Requirement
BASE TYPE: Wood, Carbon, Steel, Aluminium
PACKING TYPE : Box

SELF TAPPING SCREW

We offer our client a range of Long Nut which is fabricated from high grade raw material; these find extensive application in automobile, construction and agriculture industries.

SIZE : 6mm to 30mm
BODY : Stainless Steel
GRADE : 304 and 316
